

# ROTORUA FISHING AND CASTING CLUB INCORPORATED

## NEWSLETTER

DECEMBER 2024

### President's Comment

Season's Greetings RFCC members.

It's hard to believe 2024 is drawing to a close, the year seems to have flown by.

I want to take this opportunity to wish you all a safe and happy time through Christmas and New Year. Whether you're travelling overseas or staying close to home, with friends and family, have fun and relax, and I'm hoping you get some time on the beach with your line in the water.

### Sub-Committee Report on Incorporated Society Research

Christa and Jenny met to construct a letter to Lawyer Steven Moe to request information on the legality of the current Winding Up clause. He advised the clause, allowing distribution to members on winding up, is legal under the current Constitution and up until the Club re-registers or de-registers.

Also, a letter will go out in the New Year asking members to vote on adding a new clause into the constitution under Meetings, to add an option for postal or by electronic means to the voting. This would allow members to vote at AGM and Special General Meetings in person, by post or electronic means, allowing greater inclusion and participation in important decisions proposed by the committee.

Merry Xmas, Happy New Year and Tight Lines
