November 2020

## RFCC Presidents Report

The November Club weekend had a good turnout of fishers - 21 rods - and fine weather although some experienced windy weedy conditions. The catch wasn't plentiful with 5 Snapper, 2 Trevally, 1 Kahawai and 1 Mullet but it wasn't for lack of trying. Thanks to the breakfast cooks for the awesome kai and thanks everyone for your enthusiasm, participation and camaraderie. Members are enjoying the extended fishing start on Friday and having a longer weekend at the club.

The club house is looking spic and span after the working bee on October 31st, a really big thank you to all who attended and lent a hand or hammer, chipper or chainsaw to repair, replace, recycle or remove stuff needing attention. The clean out was long overdue and I hope we can dispose of waste promptly from now on and resist the temptation to stuff it in a cupboard for later. It was good to get the Bonanza Banner up out the front of the club and now in Matata too. Cheers to Dave Brown and Steve Shand who have taken on the responsibility of coordinating Bonanza 2021, with their experience and passion it'll be sure to be a ripper. I am sorry to announce I have received Sandy's resignation as Club Captain, and from the fishing club committee. Sandy has been a committed club member working hard on the committee, helping keep the grounds tidy, and more recently as Club Captain. Our thanks for your service Sandy and all the best.

PLEASE no more resignations this year.

## Newsletter

If anyone has photos of club events, members with awesome catches, something funny or other items that we could include in the newsletter, please can you email them to the secretary so that this can happen. It would be nice to see our members out there having a great time.

Email Address: [secretary.rfcc@gmail.com](mailto:secretary.rfcc@gmail.com)

Thanks

Chris

## Visitors Book

Just a reminder for ALL visitors to the club rooms to fill in the visitor's book with name and phone number whenever you are there. This is both for our insurance and for Covid 19 tracing in case it is necessary. Covid is still a risk and we want all our members to be as safe as possible.
