RFCC Presidents Report

Club Weekend.

A Great weekend was had by all with some good size fish weighed in. The Clubs Junior Angler Aimee Swinbank caught two nice weighable snapper in the 1 to 1.5kg mark. Thankyou Harold Hofmann for taking Aimee under your wing and showing Aimee how to catch and land those fish. A surprise visit by long-time Member Mark Frost whom we haven't seen in a while. It was good to see him and have a catch-up.

Clubhouse Roof.

The Clubhouse Roof has been Water Blasted and two coats of paint applied. Many thanks to all those who turned up over the two weekends to complete the tasks. A special thanks to Steven Shand who organized it.

Boundary Adjustment.

I spoke to the Surveyor last week and hopefully, have everything ready for the Council consents by the end of this month.

Renovations.

The Committee will be going ahead with replacing the floors in the Kitchen, the Showers, and in front of the Ranch Slider. The Committee will also be looking at replacing the cabinets in the Kitchen and painting inside and outside the Clubrooms. There will be Working Bees when each project comes up with plenty of warnings beforehand.

Casting Day.

The RFCC Casting Day will be held at the Rotorua Racecourse on Sunday the 27th March starting at 10 am. This is a great fun day with a competition added in. Read up in the Club Handbook to see the Trophy to Cast for and the section you are in. This will be a great opportunity to improve your casting with experienced casters on hand who are only too happy to give you a few pointers.

Catch you later,

Dave Brown

President.
