PRESIDENTS REPORT

It was good to have a break from the Monthly Committee Meeting as the Club Fishing Weekends are all pre planned by the Club Captain. All payments to be paid were passed by the Committee via email. The next Committee Meeting will be held at the Clubrooms Saturday the 8th of June at 10.30 am 2024.

June's Club Fishing Weekend on the 7th 8th and 9th will be the last of the competition year with the Henry Stagg Memorial Mustad Hook Trophy to fish for.

The heaviest Fish caught with a Mustad Hook supplied by the club. See the Weigh Master or the Club Captain for these hooks and the hook must be still in the fish when weighing in.

The Club will try to organise a Casting Day before August. A date, time and venue will hopefully be in the June Newsletter.

Catch you later.

CLUB CAPTAIN'S REPORT

RAGLAN TRIP

We postponed the fishing trip due to poor weather conditions. The private beach was one of the best beaches I've got to fish on. If we plan to go there again in the near future we might have to pick a fishing weekend in the warmer weather conditions.

It is really hard to plan a fishing trip on the West Coast.

OPOTIKI TRIP

Opotiki Fishing Weekend, Kelvin Barton memorial Trophy

Well, good time, it was good to catch up with Kelvin's family and other fishing clubs.

I had a talk with all of the Club's Presidents about similar future weekends.

50 points awarded to those who attended this weekend.
