

# ROTORUA FISHING AND CASTING CLUB INCORPORATED

## NEWSLETTER

NOVEMBER 2024

### President's Comment

Greetings

Your Club committee is getting used to monthly meetings held online using Zoom. Thank you to Treasurer Tracey for applying to Tech Soup for a not-for-profit discounted annual Zoom subscription and successfully receiving 50% off the standard rate, a saving of over \$100 for the Club.

As discussed at the AGM, a sub-committee has been initiated to research the implications of the Incorporated Societies Act 2022 on the Club, and all other options for types of entity the Club could operate under, in order to report back to members later next year at a Special General Meeting for a vote. The sub-committee members are myself, Chris Bashford, Cameron Walker and Lewis Taylor, and we will work with Christa George, Organisational Advisor from Socialink. I will provide updates to members from time to time as the work progresses, as the deadline for re-registering as an Incorporated Society, or not, is 5th April 2026.

I'd like to encourage anyone who has a suggestion, compliment or complaint to get in touch with me, as it's important to your committee that all members enjoy their club and the fishing camaraderie. Remember when communicating with one another be kind and respectful always, so the club is a fun and positive place for all.

I'm looking forward to catching up with you at the Xmas luncheon at the Clubhouse on 14th December.

## Whakatane Surfcasting Club - Casting Day - CANCELLED

I am sorry to inform you that the casting day that was to be held on the weekend 16 and 17 November has had to be cancelled. Unfortunately the venue was double booked but due to the impending weather forecast it probably was a blessing.

We are trying to organise another weekend but it is more likely that we may hold it early next year.
