

OCTOBER 2023|

ROTORUA FISHING AND CASTING INC NEWSLETTER

PRESIDENT'S REPORT

A special General Meeting was held at the clubrooms on Sunday the 18th of October 2023 to pass a motion to organize and run the 55th Annual Surf Fishing Bonanza on the 28th of January 2024. This was passed unanimously. This fundraiser is our main source of extra income that pays for ALL the clubs expenditure and it is up to all the club members to volunteer their time to make this competition another great success. The organizing committee are now looking for sponsors to fill our prize list. If you know any Business or Organisation that are interested in Sponsoring our Bonanza please let the committee know. This would be much appreciated as it will lighten the load for the committee.

The Honorariums that are paid to the Secretary and the Treasurer were also discussed The special general meeting. After much discussion a Motion was put forward seconded and passed unanimously to disband such payments as those payments are taxable to the recipients and would have to be declared as income. Now that the club has no PO Box Number and all correspondence in and out are received by email and all banking transactions by internet banking the members felt that all such payments were unwarranted,

The committee are now in the process of re-keying all the clubrooms, bunk room and storage and sheds with new Padlocks. Over the years the key list register has become out of date, for a while now with keys not being returned when members leave the club or step down from the committee, lost keys etc. Quotes are being obtained to get this process done as soon as possible.

Catch you later.
