

SEPTEMBER 2023 |

# ROTORUA FISHING AND CASTING INC NEWSLETTER

## PRESIDENT'S REPORT

The first Club Weekend of the 2023/24 Fishing Season was held last club weekend.

Congratulations to all prize winners and the hope is that we all see a few more members turn up to the next club weekend.

The 2022/23 season prizegiving was held on Sunday the 10th of September and all winners were presented their trophies.

I would like to extend my congratulations to all winners and runners up. Well done.

The main focus for this season is to concentrate on fishing and Land Casting,

Our main Fundraiser will be the 55th Annual Surf Casting Bonanza will be the clubs second focus and lastly the committee will set aside a weekend for a working bee.

Over the past few years the club has stagnated and we, the club, need to start thinking outside the box. It is about time we do something different and try to make the club fishing more exciting, adventurous and fun again.

The Club Captain, Steven Shand, has put together the new 2023/24 Fishing Calendar which looks impressive. There is a Club weekend in OPOTIKI and possibly a Club weekend in RAGLAN at a private beach which will be confirmed at a later date.

## BONANZA

The committee is in the early stages of preparing the clubs main fundraiser, the 55th Annual Surf Fishing Bonanza to be held in January 2024. At the AGM the motion to proceed with the 55th Bonanza was overlooked, so at the next club weekend in October a Special General meeting will be

called to forward a motion to proceed with the organizing and running the 55th Bonanza and then put to a vote. this meeting will be held on Saturday the 7th of October 2023 at 11.30 am after the committee meeting

Catch you later.  
Dave Brown  
President RFCC.

## FINAL REMINDER

Members who have not yet done so, have until September 30th to **pay** their fees.

## CLUB SECURITY

When visiting the club for whatever reason, even if it is for a short period of time please remember to sign in. **This is something we are not very good at and needs improving.**

**WORKING BEE** January 13th-14th 2024

**BOUNDARY ADJUSTMENT** is in abeyance for the time being.
